PSAC working energy

Leading Energy Services, Supply, Manufacturing and Innovation

ASSOCIATION AFFILIATE MEMBER

The **ASSOCIATION AFFILIATE MEMBER** category is designed for non-profit associations representing a segment of the oil and gas industry that would like to share information, collaborate on issues and initiatives for mutual benefit, and/or reciprocate on membership and/or member pricing for publications and events.

BENEFITS

- **ADVOCACY**
  - ✓ Stronger united voice for advocacy and lobbying efforts
  - ✓ Opportunity for cross-pollination of ideas and policy recommendations
  - ✓ Listing on PSAC's Membership Directory

- **INFORMATION, NETWORKING & PARTICIPATION**
  - ✓ Reduced pricing for association members for publications and events
  - ✓ Priority for opportunities to present at and/or sponsor events (such as seminars, luncheons or webinars) for PSAC's Core-Group Members
  - ✓ Ability to promote selected events through PSAC's website and other communication channels
