PSAC working energy

Leading Energy Services, Supply, Manufacturing and Innovation

INTRODUCTORY AFFILIATE MEMBER

The **INTRODUCTORY MEMBER** category is designed for companies that have a portion of their operations serving the upstream oil and gas industry and who would like to learn more about the activities of the Petroleum Services Association of Canada before becoming Core Members. Introductory Members also may or may not yet have a COR / SECOR or Board-approved alternate safety program. This membership category is for companies that have never held PSAC membership at any level, and is valid for one year only, following which the member must become a either a Core or Associate Core Member, or relinquish membership.
