2022 Canadian Oilfield Services Activity Forecast Subscriptions

Subscribers to PSAC's 2022 Canadian Oilfield Services Activity Forecast receive online access to the October/November 2021 Forecast and the 2022 Forecast (specific month TBD). Only two(2) forecast publications will be released for this period (September 1, 2021 – August 31, 2022). Past subscription(s) to the forecast can be purchased at a reduced rate.

Note: All amounts are in Canadian dollars. Payment must accompany subscription. Cheques should be made payable to the Petroleum Services Association of Canada (GST #R107840605). Please consider this order form your receipt. A confirmation will be forwarded to you by email. Subscriptions are non-refundable and non-transferable.

Please scan and email to accounting@psac.ca.
